Nearpod works on:       

Join one of our amazing programs and expand your reach!

Author's Program

Nearpod Authors are expert educators that are passionate about creating ready-to-teach lessons for the Nearpod Store. Covering all grades and subjects, our authors leverage research-based instructional best practices to create high-quality, multimedia, interactive lessons. Authors sell their lessons in the Nearpod Store-- a great way to earn extra cash while impacting thousands of students outside of your classroom!

Nearpod PioNears

Our PioNears program connects educators working to build their PD profiles with events and trainings in their area and on the web. We provide you with the resources you'll need to train others on Nearpod and help you in every way that we can to further your PD career.

[You can apply at nearpod.com/pionears](http://nearpod.com/pionears)

Certified Trainers

Nearpod Certified Trainers will learn pedagogical best practices and techniques for creating content and engaging others with Nearpod! As a Certified Trainer, you'll receive special resources and training materials that will enrich your teaching abilities and make you even more qualified to train others on how to use the platform and experience the Nearpod magic.
